

November 2024

Greetings in the name of Jesus, our risen Lord!

Every autumn at HUMC we remember our call to be good stewards. Our stewardship is connected to the question we've been asking recently on Sunday mornings: "Why church?" Why do we invest so much of our time, talents, and treasure into the church when we have so many other options vying for our attention?

As we've seen in our preaching through the book of Hebrews, the answer can be found over and over in Jesus Christ. We do what we do because Jesus' work in our lives, our county, and our world can best be realized through our church's beloved community and blessed mission. Sometimes our community and mission are messy, but Jesus meets us in the mess and works miracles through it. Thanks be to God!

On the other side of this sheet, you'll find a little exercise I was curious about. I went through our calendar for the last year and listed everything that was part of the life of the church, and I know I still don't have everything on there. Take a look – you'll be amazed! Why church? Because you are part of this beautiful, dynamic, breathtaking work of Jesus in the world!

Those events only tell part of the story, though. The life of our church also includes countless gifts of sacrificial love, acts of encouragement, hours of prayer, rhythms of rest, devoted hours of Bible study – countless ways Jesus has formed us through our congregational life that can't be added up on a list.

So for our stewardship emphasis this year, we're inviting you to prayerfully consider how you can best be a steward of the coming year in the life of HUMC. Where in your life is Jesus calling you to grow deeper? Who is he calling you to pray for or reach out to? Where is he calling you to rest, or to trust him, or to engage in a new way?

Part of our stewardship involves financial planning, so we're inviting you to consider your commitment to financial giving in 2025. Your completion of the enclosed financial commitment card (the white card) helps our finance team plan our budget for the next year and is greatly appreciated. Please prayerfully complete your card and return it during our worship on Sunday, 11/24. We've also included a separate commitment card (the pink card) to help you think about your spiritual growth in the next year. Pray over this card, think about it, and return it to keep in communication with Pastor Luke about how God might be leading you – and us – into 2025.

As always, it is a joy to serve the Lord with you!

Grace and peace,

A handwritten signature in black ink, appearing to read "Luke Richards".

Pastor Luke Richards

R. Keith Howard, Finance Chairperson
