Sanctuary Technology Upgrade

The sanctuary is getting a technology upgrade that includes a new projector, new microphones, cabling, and a rear-mounted camera. The camera will not only permit broadcasting of the worship service, but also to broadcast funerals and weddings. A generous gift of \$2,000 has already been given to the \$9,800 total cost. If you would like to help defray the costs of this upgrade, please write Sanctuary Technology Upgrade on your check or envelope. You can also give on-line as well.
